JACKSON AND VANORMAN TAKE OFFICE

FIRE RUINS BIG STORE

Flames Cause Damage Estimated At \$250,000 in Frank Dry Goods Company Establishment Sunday Morning.

CAUSE OF BLAZE IS STILL UNDETERMINED

Management Announces Plans for Reopening of New Store Soon; Adjacent Stores Damaged By Water and Smoke.

Plans for the opening of a temporary office immediately and the remodeling of the building and the re-opening of the store as soon as possible, were announced today by Theodore Frank, of the Frank Dry Goods company, whose store at 730 Calhoun street and 114 West Berry street, was ruined by fire of undetermined origin, with an estimated damage of \$250,000, Sunday morning.

While fire officials searched in the ruins of the store today in an effort to ascertain the cause of the fire, owners of the building and contractors inspected the fire-damaged store with a view of forming immediate plans for the repair of the building.

The management of the store expects to open a temporary office in the First National building this afternoon, Mr. Frank announced. All records of the store escaped the flames.

Fire Starts in Basement. The Frank store occupied a T-shaped building, extending from Calhoun street to the alley at the rear and then south to Berry street. Two floors also occupied the second and third floors of the building at Calhoun and Berry streets.

An investigation revealed that the fire started among bundles of cotton burlap in the basement near the rear entrance, burned through the first floor and then followed the staircase to the second and third floors.

James caused the worst damage in the Berry street wing of the first floor, on the central part of the first floor of the main section of the store. The store, linoleum, carpet and drapery department on the main section of the second and third floors were untouched by the flames and were but slightly damaged by smoke.

Stahlhut, chief of the fire department, today, estimated the damage to the stock at about \$200,000, and the damage to the building at \$50,000. About a third of the stock can be salvaged, he pointed out.

Mr. Frank said today he was unable to give an estimate of the damage or how much of it is covered by insurance.

Policeman Discovers Fire. Patrolman Gus Lanier discovered the fire and turned in an alarm through box No. 61, Court and Berry streets, at 3:30 o'clock. Three fire companies, Nos. 1, 2 and 5 answered the alarm. At 3:34 o'clock Chief Stahlhut turned in a general alarm, which brought out every piece of firefighting equipment and all firemen in the city.

The fire had been burning for at least an hour before it was discovered, Chief Stahlhut said.

When the firemen arrived smoke was pouring from all windows of the store and for some time, the firefighters were unable to enter the building because of the dense fumes. Windows and skylights were opened however, and the smoke soon cleared away and made it possible for the firemen to attack the flames where they were raging the fiercest.

Thirteen lines of hose were laid and before 11 o'clock the fire was under control. Spectators were looted in the premises of the efficient work of the firemen in keeping the flames from spreading to adjacent buildings.

Although few pedestrians were on the street when the alarm was sounded, a large crowd soon gathered. Police stretched rope lines and kept the crowd back while the firemen battled the flames. Street car service on Calhoun street was tied up.

Radio Brings Identification of Chicago's Mystery Girl

Voice Broadcast From Edgewater Beach Hotel Radio Brings Aunt From St. Louis and Charlotte McGuire is Claimed by Relatives—Recognizes Aunt's Hat.

ST. LOUIS, Jan. 12.—Many things that made Charlotte McGuire, a girl of mystery in a Chicago hospital, remained enigmatical today after her restoration to her family through means of the radio.

Fifty-three days ago she was found wandering in Chicago and all efforts to have her identified failed until last Friday night her appeal for identification was broadcast by WEBB, the radio station at Edgewater Beach of the Chicago Evening Post. An aunt here thought she recognized the voice and upon reading in the newspapers an account of the appeal hastened to Chicago.

It appeared that it was a familiar decoration in the hat of her aunt, Mrs. George Griffiths, that roused the girl's dormant memory when her relatives faced her yesterday.

"Oh the bird," she said, as she espied her aunt's hat. Then followed greetings by name to Mrs. Griffiths and Genevieve Sullivan.

"I remember leaving home to go to the university," she said, "and was walking on a path to the campus. The next thing I knew I was in the Chicago hospital."

Upon her arrival here the girl's memory again took on a spurt of vividness and she chatted eagerly as she recognized familiar landmarks.

She had not been identified.

FEW CHANGES IN BANKS EXPECTED

Five Institutions Will Hold Annual Meetings Tuesday for Elections.

TWO MEET ON WEDNESDAY

Few changes are expected in the list of directors or officials of Fort Wayne banks for the ensuing year.

Five banks will hold the annual meetings of stockholders Tuesday afternoon. Two others will hold meetings Wednesday.

Other banks in the city have already held meetings or do not do so until later in the year.

Banks holding annual meetings Tuesday afternoon are the First National, Lincoln National, Lincoln Trust, Lincoln National and the Citizens Trust company. Re-elections of the directors are expected in all cases. Several vacancies exist on the board of the Lincoln Trust company, but may not be filled. The Citizens Trust company directors recently named Al Riegel to fill the vacancy on the board created by the death of William Leedy and Mr. Riegel's appointment is expected to be confirmed by the stockholders tomorrow.

The Dime Savings & Trust company holds its annual meeting Wednesday afternoon and the principal subject of discussion will be whether the bank shall institute the payment of dividends to stockholders. The institution has not paid dividends since its organization.

U. S. CLAIM ALLOWED

Allied Conference Results in American War Claims Being Recognized and Payment Arranged For.

PRIORITY RIGHTS TO PAY RHINE ARMY CONCEDED

United States to Get 52,000,000 Gold Marks Annually; Damages Then to Be Paid Under Dawes Plan.

PARIS, Jan. 12.—The United States has been accorded 52,000,000 gold marks yearly out of the Dawes payments, beginning in 1926, according to an agreement reached today, British circles announced semi-officially.

Official announcement is expected at tomorrow's plenary session of the finance conference.

Priority rights to cash payments for the costs of our Rhine army were conceded by the powers and it is estimated it will take 17 years of payment at this rate to exhaust the American claim.

Regarding her claim for war damages out of the payments to be made by Germany under the Dawes plan, the United States will receive two and one-fourth percent of the annual payments during the entire period of operation of the plan. This percentage is limited, however, to \$5,000,000 gold marks annually.

If the British announcement is officially confirmed, it means that the allied nations expect to collect from Germany. Payments, however, will be deferred considerably more than proposed originally by American representatives here.

She stated him at Van Wert, she said, and was told by him to come to Fort Wayne to get a man named Bowersox to defend him. This she was about to do when she was arrested here in a Cadillac car to visit a friend. She admitted in examination that she knew her husband was in town the night the safe was cracked.

YOUTHS ADMIT STORE BURGLARY

Charles Basting and Glenn Johnson, Farmer Boys, Held for Woodburn Break-in.

LOOT BURIED IN OLD BARN

Following a confession to Sheriff Henry Marlin that they had entered and robbed the Fueling Drug company store at Woodburn, Monday night of last week, charges of burglary were filed in circuit court today against Charles W. Basting aged 17, son of William Basting, a farmer, four miles southeast of Woodburn, and Glenn K. Johnson, aged 19, son of Thomas Johnson, three miles southeast of Woodburn.

Working on Monday night, the sheriff fixed the crime on the youths Saturday night and placed them under arrest later, with the assistance of Detective Sergeant Immel, forcing a confession from both. Marlin solved the first crime; he has been called upon to investigate since he took office January 1.

In an old hog barn, on a creek bank, 200 yards from the house on the Johnson farm, the sheriff Sunday night dug out a buried sack in which were hidden \$60 in currency, \$250 in small change, two bill folds, a ladies' purse and six one-cent and one two-cent stamps, the total loot of the young burglars.

The boys said they had not known exactly how much money they had stolen from the store. Johnson had first hidden the loot under the mattress of his bed but later, fearing discovery, removed it to the hog barn, he told the sheriff.

Entrance was gained to the store by removing a pane of glass near window. A safe, the outer door of which had not been locked, the cases, and shelves in the store were searched. The loot was taken from a tin cash box which had been placed in a drawer in a counter. The latter fact supplied the first clue. The sheriff concluded that the boys had been looting in the store. He made inquiries as to the whereabouts of Johnson, who had been about the place recently. He learned that Johnson had been in Woodburn late that night.

Basting was found in Fort Wayne, he had come here to look for a job, he said, and was in the city most of last week. Johnson had remained at home until Saturday night, when he was arrested Saturday night, they both denied they had anything to do with the burglary. They were questioned several times by the sheriff and Detective Sergeant Immel. Sunday afternoon they were placed in separate parts of the jail, each made a complete confession.

COOLIDGE GUIDES FOREIGN POLICY

Resignation of Secretary of State Charles E. Hughes to Put Coolidge in Command.

KELLOGG AND BORAH AID BULLETIN.

WASHINGTON, Jan. 12.—Alanson E. Houghton, ambassador to Germany, probably will be appointed to succeed Charles G. Davenport, succeeding Frank B. Kellogg, in the very near future, it was learned authoritatively here today.

If the transfer is made either Senator Medill McCormick, of Illinois, or Henry P. Fletcher, ambassador to Colombia, will fill the Berlin vacancy. McCormick's term as ambassador ends on March 4. Fletcher is a "career man" in the diplomatic corps.

WASHINGTON, Jan. 12.—With the announced resignation of Secretary of State Hughes, President Coolidge prepared today to take over active control of American foreign policy and drive toward further international disarmament and world peace.

While Hughes' withdrawal on March 4 after brilliant achievements is regretted by the president, it gives Mr. Coolidge an opportunity to direct foreign affairs, which he believes should be the chief concern of the next administration, now that domestic issues are in hand.

In Frank Kellogg, now ambassador to London, he has chosen as his new aide of the state department a man who will execute Coolidge's policies and dispel possible anti-imperialist opposition.

The other member of the triumvirate whom the president has picked with himself and Kellogg to conduct foreign affairs in William E. Borah, chairman of the consolidated and stronger Coolidge republican party.

DAVIS IS ARRESTED

Governor of Kansas and His Son Are Charged With Soliciting and Accepting Bribe for a Pardon.

BOTH ARE RELEASED UNDER BOND OF \$1,000

Executive is Arrested An Hour Before Relinquishing Office to E. S. Paulen, New State Executive.

TOPEKA, Kan., Jan. 12.—For the first time in the history of the state, a governor of Kansas was placed under arrest here today.

Warrants charging soliciting and accepting a bribe were served upon Governor Jonathan M. Davis and his son, Russell Davis, in connection with acceptance by the latter of \$1,250 from Fred Pollman, paroled convict, for a pardon for Pollman.

The governor and his son, an hour before the former was to relinquish his office to Ben S. Paulen, the new state executive, appeared at the court house to sign bonds of \$1,000 each.

Neither displayed the slightest bit of emotion as they stood by the clerk's desk waiting to sign the papers which had been prepared.

Accompanying the governor were Col. A. M. Harvey and the latter's two sons, who will represent the governor's bond.

Several prominent democrats were also present. Governor Davis talked in low tones with several of these, and ignored other bystanders who had come to the court house to see their governor placed under arrest.

After signing the bonds, Governor Davis left the building and went back to the state office to prepare for the inaugural ceremony at noon. Russell Davis accompanied his father.

Claim \$1,250 Paid. The charges against the governor, which resulted in his arrest today, grew out of the pardon of Fred Pollman, when Russell Davis met Pollman in the latter's room in a local hotel and negotiated with Pollman to secure the pardon. Pollman, provided \$1,250 was forthcoming.

Concealed in an adjoining room were newspaper men and a shorthand reporter. The latter took down the conversation between young Davis and Pollman, who was a party to the plot to catch the governor's son.

Young Davis was confronted by the newspaper men and forced to hand over to them the marked money with which Pollman purchased his pardon. The young man denied the allegations that his father knew of the deal. The former governor, in a statement issued Saturday, denied the charges and stated that his son's transaction and added that he had already granted Pollman's pardon.

The announcement that the governor and his son had been arrested, while not unexpected, came as a shock to the thousands gathered here for the inaugural ceremony at noon.

It was thought that perhaps the governor would be spared the humiliation of being arrested while still in office, inasmuch as he had served only an hour after the warrant was served.

News of the arrests spread rapidly and the ceremony of changing governors was far overshadowed by the action of the county attorney.

An air of nervous tension pervaded the crowded auditorium where Governor Davis was to appear at noon and make his outgoing address and to introduce his successor.

There was considerable speculation as to whether the governor would make any reference in his address to the charges brought against him.

It was the first time in the state's history that a governor left office under such a cloud.

TRIES TO TAKE GUN FROM BANDIT; IS SHOT IN HIP

SOFT TH BEND, Jan. 12.—Peter Gahuska, age 48, does not believe in tamely submitting to bandit rule and consequently he is in a local hospital suffering from a bullet wound in his hip. He was held up last night by a boy apparently 17 or 18 years old, but instead of throwing up his hands he lunged at the boy, and the latter, in an attempt to obtain possession of the weapon, the bandit was the stronger and retaining possession of the weapon shot his victim. Gahuska was recovered. The bandit made his escape.
